The Knight Herald
St. John's High School
Toledo, Ohio

The Dedication

To the Society of Jesus and to those priests, scholastics, brothers and laymen who have taught and associated with us, and have enriched us with the Catholic ideals of mind and heart, we gratefully and respectfully dedicate this pictorial issue of the Knight Herald.

MADONNA OF THE SOCIETY OF JESUS

The Foreword

It is with a mingled feeling of joy and sorrow that we have compiled and published this pictorial: joy in the consciousness of our achievement; sorrow in the realization that this is our last accomplishment under the guidance of the Society of Jesus. Yet we hope to leave this work as a lasting tribute of the Class of 1936 in sincere appreciation of the men who have aided in making St. John's an educational success.

The Administration

To the faculty of our school we respectfully devote the following section of the Pictorial. It was through the perserverance and patience of the priests and teachers that we have attained the goal that was set for us four years ago. Through their direction and influence we have obtained our high ideals of Catholic manhood. May this work stand as an appreciation of their labors.

The Seniors

Every year since the foundation of St. John's High School young men have been graduated to take their place in the business world or to go out in the pursuit of education to prepare themselves for the professions. Again a graduating class, enriched with the ideals of scholarship and training, bids farewell to its Alma Mater. May the Pictorial stand as a lasting memorial of their accomplishments and associations for the past four years.

THE FIRST ADDITION

The Class Poem

Knights venture forth in full array,
To gain renown and fame; as with
The dawn of life's eventful day,
We seek the Grail of Arthur's myth.

But ours is not the chalice gold,
Whence Jesus gave His Precious Blood,
Nor is it hid, like that of old,
From vision barred, by storm and flood.

We seek the Grail of Grace sublime,
With which to enter Heaven's gate.
Our battlefield—the whole world's clime,
Our dragons—lust, untruth and hate.

Our journey will not be in vain;
Such grief as ours, when we have gone,
Does not but merit only pain.
Farewell! The Knights are marching on.

The Classes

It is upon the lower classes that the success of the school year depends greatly. It is their responsibility also to maintain the high standards set by classes of the past in scholastic and spiritual accomplishments. Therefore, to these classes the following section of the Pictorial is devoted in earnest appreciation of their abiding support.

THE PRESENT GROUP

First Row: Mouch, Erard, Williams, G. Ferstle, Kuebler, Bick, Jansen, Durivage. **Second Row:** Stephens, Aubry, Cairl, Kelting, Lammers, R. Meng, Mr. E. J. O'Connor, S. J. **Third Row:** Blanchong, Kumler, English, Bolan, L. Hillebrand, B. Uhl. **Fourth Row:** James Oatis, Cieply, Furey, Blanchard, R. Daney, R. Johnson.

Junior A

THE members of class 3A began a new year full of zeal and ambition under the guiding hand of Mr. Edward O'Connor, S. J. The election of class officers was postponed for a few days until the class became adjusted to its new routine and acquainted with the abilities of some of its members. George Ferstle was elected president, George Bick, secretary and James Oatis, treasurer.

Turning to the main purpose of our school career, we find no brilliant students among the members of 3A but all working diligently to gain the light of knowledge. After the mid-year examinations, at the reading of marks, George Ferstle gained class honors and James Jansen first honors with about five other members of the class meriting second honors. We also find that one of the members of 3A was elected to the position of chairman of the Bellarmine Society.

The 3A tap football team fought gamely but enjoyed only a mediocre season. The 3A basketball team in the Intramural League fared more successfully attaining second place in the league. The team was captained by Hugh Graff. The boys met their Waterloo at the hands of 4B, being outclassed by a slight margin. The two 3A teams in the tournament were led by Raymond Meng and Hugh Graff. Ray Meng's first team was somewhat disappointing and lost in the finals to the 4B team, a second time. The second team went into the finals of the consolation series. 3A hopes to end the year with a successful baseball season, which is rapidly passing.

First Row: Coehrs, Rogge, Wilkinson, Carroll, O'Brien, Kneisel, Conlisk, Smith. **Second Row:** Joseph Gill, R. Sullivan, Gerner, Reger, Eischen, Snyir, Crowley, Mr. George Cheyhayl, S. J. **Third Row:** Hartung, Gallagher, Helmer, Reed, Thompson, T. Lauer, Yarton.

Junior B

WITH the din of praise and glory still reverberating throughout the air, the Junior Class of 3B mount another step in their pursuit of studies and fulfillment of ambitions. The passing school year has unfolded the qualities which are thoroughly inculcated in these men.

This success of 3B may be partly attributed to the ability of its class officers: Walter Hartung, president; Joseph Gill, secretary; Joseph Gallagher, vice-president; Aloysius Reger, treasurer.

It is with great pride and deep admiration that we inscribe in the annals of Class 3B the following names: Joseph Gallagher (varsity), Ray Sullivan (varsity), Robert Robens (varsity), William Thompson (varsity), John Reed (varsity), and Bernard Kearney (lightweights), for their outstanding performance in basketball; Thomas Carroll, Terry Conlisk, Clifford Helmer, Thomas Lauer, and Charles Smith who represented 3B in the journalistic field; Vincent Gerner and John Snyir for their participation in the high school orchestra; Justus Wilkinson, who won the Tail Story Contest held by the Knight Herald; Nelson Eischen, manager of the varsity basketball team; John Rogge, Charles Coehrs, and Donald O'Brien for their spectacular playing in the Intramural Basketball.

The passing year is like unto the lowering of a curtain on a great stage whereon a cast of characters has just triumphantly ended an immense production. The men of 3B are slowly departing from the stage and are advancing to greater heights.

With the ray of glory shining brightly, with the closing of another school year, they bid "Farewell."

" . . . And, departing, leave behind them
Footprints on the sands of time."

First Row: Kerscher, Forrester, Hofmann, Riley, Heini, Jacoby, Grady, Gelin. **Second Row:** Maier, Glynn, McAtee, Blake, Brucker, Brady, Fr. William Toomey, S. J. **Third Row:** Croll, Murray, Gerold, Daly, Dollman, J. Malone.

Sophomore A

ED by the president of the class, Kenneth Croll, vice president, James Brady, secretary, Frank Gerold, and treasurer, Paul Effler, 2A has completed a representative school year, having displayed scholastic ability and having been represented in nearly all school organizations and activities.

In the weekly mission collections, 2A has been consistently at the top and in the Bishop's drive for the spread of the Catholic Chronicle, representing the Catholic press in Toledo, they were the leaders among the classes of the high school.

Among the notables of this class were: Robert Riley, Junior Sodality president, and assistant editor of the last issue of the Knight Herald, and Robert Forrester, president of the junior Acolythical Society. The honor men were Frank Gerold, Robert Riley, Kenneth Croll, John Malone, Edward Glynn, and Joseph Dollman. Others were members of the Knight Herald staff, Camera Club, and the Masquers. They had in their midst an author, James Grady, known throughout the year for his novel short stories.

This class, under the supervision of Fr. William Toomey, S. J., became ardent Latin students. This was accomplished by forming a Latin honor club for students who attained an average of ninety or above and various teams to promote interest in the study. However, in an interclass contest with the other sophomore class, 2B defeated these earnest students of Caesar.

In athletics, although 2A was not the most outstanding team, they fought bravely and determinately. Their indoor team was led by the class president, Kenneth Croll. The class of 2A will remember its first two years at St. John's as full of happy memories.

First Row: Rier, Ferstle, Kuehn, Brandes, Benore, Kwapich, Burkhart. **Second Row:** Martin, Flory, Gates, Hunter, Breska, John Oatis, W. Fish, Mr. G. A. Wallenhorst, S. J. **Third Row:** Couture, Wisniewski, Starr, V. Gray, Condon, V. Williams, Fazekas. **Fourth Row:** Nachtrab, Canelli, Kearney, Plummer, Seman, Gloeckler.

Sophomore B

SHORTLY after the opening of the 1935-36 school year, 2B held class elections and the following officers were chosen: Paul Ferstle, President; John Oatis, Vice-President; William Fish, Secretary; John Kuehn, Treasurer. Eugene Kwapich was given the office of Class Historian.

During the year Sophomore "B" has been prominent in all athletics. Paul Ferstle was elected captain of the intramural football team. "2B" was scored upon only once, and carried off the honors of the Junior Division Championship. Under the captaincy of Kenneth Couture, 2B also gained distinction and another championship award in the intramural basketball league. John Oatis has been chosen captain of the intramural baseball league.

Additional laurels came to the class in the matter of studies. At the semester five of the class made an average of 90 or above; six gained second honors. In a Latin vocable contest 2B won easily from 2A.

In school activities, 2B was ever active. This class supplied the orchestra and dramatic club with some excellent talent. Many of its members were represented in the Acolythical Society; all the officers of the Junior Sodality were chosen from this class with one exception and two members were on the Knight Herald staff.

The class was on top or very near the top in all the drives made by the school. 2B came in second for the Chronical subscriptions drive, the ticket sales for the high school play, "Merry Madness," and also ads and patrons for the Pictorial.

Yes, the success of Sophomore "B" has been remarkable. They, therefore, take this occasion to thank those who have been placed over them for their efforts in their regard.

First Row: Diehl, Olender, F. Sullivan, F. Meng, P. Meng, Muessig, Keogh, Cipriani, Braatz. **Second Row:** Mr. J. Zipprich, S. J., Fischer, E. Schoen, Eberle, Oswald, Watkins, Wilson, Bauerschmidt, Mason. **Third Row:** McGrane, Driscoll, Garry, J. Schoen, C. Morrin, Bodette, Fox, Labadie, Fr. N. Mann, S. J. **Fourth Row:** R. Uhl, Bridenbaugh, Adamwicz, Beeley, McCormick, Scheuer, Bartell.

Freshman A

ITH pride can IA scan the receding horizon of 1936 and say that its success was due to two noble qualities of its members—Cooperation and Generosity. Success in studies, in class enterprises, and in school activities can be attributed to these. Hence the class is justly proud of its achievements as are also its officers: John Schoen, president; Frank Sullivan, treasurer, and George Beeley, secretary. Deeply grateful are they also to their able teachers, Fr. Nicholas Mann, S. J., and Mr. Jerome Zipprich, S. J.

With the opening of school, thirty-four freshmen sat at their desks, each intending to do his best and win class honors. At the presentation of honors in February, less than half had achieved their goal. Seigfried Muessig was awarded highest honors.

No demand on their salesmanship went unheeded. Patrons were obtained for the play and their quota of tickets was sold. Equally prominent were their cooperation and generosity in striving to make this year's Pictorial a success.

In sports IA was a constant contender for the leadership. In basketball George Beeley and Robert Driscoll were promoted to the lightweights, while Bernard Scheuer and Herman Eberle played on the frosh team. Many of IA's students represented the frosh on the grid-iron and many of them are now starring in baseball under Mr. Zipprich.

Frank Sullivan and Richard Bridenbaugh served on the Knight Herald staff, and Richard Uhl was the first Freshman in recent years to win a Knight Herald contest.

Truly can it be said that IA has caught the spirit of St. John's. Congratulations and farewell!

First Row: Pawlina, Langenderfer, Woelfl, Rutherford, Rogers, Wenninger, O'Connor, Hoffman. **Second Row:** Ryan, B. Daney, Vickers, Navarre, Beckmann, Sanford, Fr. J. Gillespie, S. J. **Third Row:** Skelly, Maloney, J. Gill, Jankowski, Halloran, Wilczynski, T. Kanary, W. Whelan. **Fourth Row:** W. Malone, J. Hillebrand, Rupley, R. Lauer, Sweeney, Mohler.

Freshman B

THE opening day of school for 1935-36 found thirty pairs of eyes in the class of IB gazing with admiration and wonderment upon their teachers who were assigned to the task of guiding these boys over the rough and smooth spots in the course preparing them for the steady training of their minds for the rest of the school year.

Latin, Religion, and English were to be taught by Fr. Joseph Gillespie, S. J., Algebra by Fr. Henry Suelzer, S. J., and History by Mr. Frank Young. However, with brave hearts and dauntless ambition, these thirty freshmen began their career of higher education in St. John's.

After the formalities of getting acquainted with the teachers as well as with one another were over, the class began in earnest. Although many of the boys found Latin difficult at times, under the tutorship of Fr. Gillespie, this class displayed remarkable efforts. For, at the reading of the marks in February, William Malone received class honors and second honors were merited by Joseph Hillebrand, William Sanford, Burt Ryan, James Rutherford, and Thomas Maloney.

Some of the activities of IB were the distribution of food and clothing to several of the needy families of the city on Thanksgiving Day, and a class party held January 27. In the activities of the school IB was well represented and the class supported every activity wholeheartedly.

As the end of the school year approaches their hearts are glad to realize that they have upheld the esteem of St. John's and the freshmen, and the memories of their first year will always be cherished.

The Organizations

By means of the organizations the student is enabled to increase his circle of acquaintance and friendships beyond the classroom. Furthermore, the organizations present an opportunity for co-operation and personal endeavor, and increase the interest in the school and its activities. It is upon the organizations also that the moulding of the student's character greatly depends.

BLESSED VIRGIN'S ALTAR—CHAPEL

First Row: Fr. Joseph Gillespie, S. J., Smith, Gerner, Cairl, Riley, W. Fish, Fr. Nicholas Mann, S. J. **Second Row:** Lammers, Murray, R. Kearney, R. Fish, J. Oatis.

Sodality

NDER the direction of Fr. Joseph Gillespie, S. J., and Fr. Nicholas Mann, S. J., the Sodality of St. John's High School has closed once again a successful year. The Sodality's main objective was to sponsor Catholic action, temporal as well as spiritual, and in this aim it has nobly succeeded.

At the National Eucharistic Congress held last year in Cleveland, St. John's was represented by a delegation of twenty-nine boys. While there the students took part in the spiritual exercises of the day and returned much impressed with the greatness of their religion.

At Thanksgiving time the Sodality conducted a drive to obtain food for the needy. The Sodality is proud to say that the quota was easily passed.

During the first half of the year discussions were held at the weekly meetings. Each member was at some time or other called upon to speak. These meetings proved not only interesting and delightful to those in attendance but also most instructive.

The moderators of both sodalities throughout the year stressed the importance of making visits and of receiving Communion frequently. In its support of the missions, the Sodality was in the front ranks, averaging five cents per week per student.

The president of the Senior Sodality was Robert Fish, and of the Junior Sodality, Robert Riley.

FR. J. J. GILLESPIE, S. J.

First Row: Carroll, Bridenbaugh, Smith, Keogh, Hofmann, Wenninger, H. Gill, O'Connor.
Second Row: McGrane, Adamwicz, Gates, Blake, Grady, CaJacob, Gaither, Halloran.
Third Row: Mr. J. Zipprich, S. J., Forrester, H. Whelan, W. Malone, Beckmann, J. Malone, Logsdon, Higgins, Croll.
Fourth Row: J. Kanary, T. Lauer, Reed, W. Johnson, Daly, Glynn, R. Malone, Leyland, Mohler.

T. JOHN'S ACOLYTHICAL SOCIETY is an organization ever active in the school, since its members serve God daily in the chapel. To add beauty to the divine services, to assist the priest at the holy sacrifice of the mass, are the aims of the society.

It gives an opportunity for the boys to be united in a closer relationship with the Divine Creator and, as they have often heard, is a privilege that is denied even to the angels. What Catholic boy who has not learned to serve at mass, does not feel a certain emptiness in his heart?

The first meeting of the Society, which is under the direction of Mr. Jerome Zipprich, S. J., was called about the second week of school, at which the election of officers took place. John Kanary and Hewitt Whelan were elected president and secretary respectively in the senior division, while Robert Forrester and Edward Glynn were elected to the same offices in the junior division.

St. John Berchmans is the patron of the acolytes, and in his honor a symposium was held at one of the meetings during the year. Three seniors read short papers depicting the various phases of serving.

Toward the end of the year a picnic was held at Lakewood, Michigan on Lake Erie.

MR. J. A. ZIPPRICH, S. J.

Front Row: Muessig, Coehrs, Braatz, Burkhart, Hofmann, Sanford R. Lauer, T. Kanary. **Second Row:** Syring, R. Meng, Conlisk, Watkins, Kerscher, Grady, Brazzill, Papp, McDonough, CaJacob, Mr. G. Wallenhorst, S. J. **Third Row:** Canelli, Reed, S. Morrin, W. Whelan, W. Malone, Trese, Beckmann, R. Johnson, Logsdon, O'Reilly. **Fourth Row:** R. Malone, Higgins, T. Lauer, Burnor, Plummer, Daly, McMillan, Seybold.

Masquers

IN the second full year of its existence the Masquers' Club, the dramatic society of St. John's, expanded both in size and in the scope of its activities under the able direction of Mr. George Wallenhorst, S. J., moderator. Mr. Wallenhorst was assisted by Robert Malone, president; Paul Burnor, vice-president, and Jerome McDonough, secretary-treasurer, the officers of the organization.

The Masquer's presented one minor play during the year, the comedy "The Last Reversal." It was enacted before the student body shortly before Thanksgiving. The major dramatic production of the 1935-36 school year was the three-act comedy, "Merry Madness," which was presented in St. Ursula's Auditorium on the evening of February 16.

Early in April the new officers of the club, who would have continued as such through next year, were elected. They are Thomas Lauer, president; John Burkhart, vice-president; and Hugh Graff, secretary-treasurer.

At the first meeting after the election of the new officers the members of the club voted in favor of securing membership pins, which will be received late in May. They also decided to hold a picnic instead of a banquet. Because of the closing of the school this June, the picnic is to be the last official activity of the Masquers' club before it is disbanded.

"Merry Madness"

FTER having presented mystery plays in the past two years, the Masquers' Club of St. John's this year introduced some variety into its program when it presented the stellar comedy, "Merry Madness." Although lacking perhaps the tenseness and intricacies of plot which were characteristics of the two previous plays, this year's presentation made up for both with its excellent humor and fine acting by the entire cast. Besides provoking almost continuous laughter from the capacity audience, there was also more than the usual amount of depth to the plot, not often found in plays of this type.

ROBERT MALONE

The success of the play is due largely to the co-directors, Mr. George Wallenhorst, S. J., and John Hurst, who gave much of their time and ability to train the actors in their various parts. The business staff, headed by Mr. Gerard Grant, S. J., also deserves much credit for its part in making "Merry Madness" the financial success that it was.

Nicholas Seybold and Thomas Trese, as Octavius, and Oliver Semple, were undoubtedly the stars of the play, each turning in an excellent performance and gaining much applause and many laughs from the audience. The other members of the cast, in spite of their less important parts, also performed very well and deserve much credit.

Debate Team

HIS year under the guiding hand of Mr. Gerard Grant, S. J., and Mr. Edward O'Connor, S. J., the debating squad has gained much momentum along the road of forensic endeavor. Since the time they organized last November and planned a sweeping program for their debating, they have progressed through twelve debates with the commendable record which reflects the debating history of St. John's High School in the past thirty-eight years of existence.

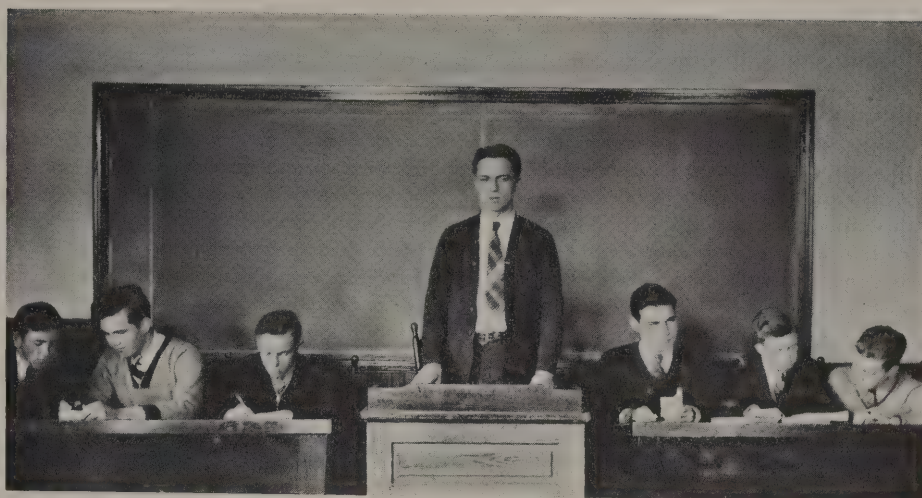

The principal topic for debate this year among the Ohio schools was Socialized Medicine, which proposes that the several states take over the management of the medical profession and the supervision of nurses and hospitals. Mahlon Doyle, Robert Malone, and John Moloney, the senior team, upheld the negative, and John Kumler, George Bick, and Thomas Lauer, were the junior affirmative team. With Detroit the topic for debate was "Government Monopolies over the Munitions."

During the year this squad renewed its friendly rivalry with the University of Detroit High School and Saint Ignatius of Cleveland. In past years these schools have debated each other with varying success and a friendship has been established between the boys of the different cities.

This year's schedule completes a long line of debating seasons by the students of St. John's. From the first years of its activities this has been one of the major interests of the students.

Newman and Bellarmine Societies

THE Newman Society is a senior organization that has been active at St. John's since the founding of the school. To increase interest in current topics and to develop self-expression are the two purposes of the organization. At the beginning of the year Mr. Gerard Grant, S. J., who is well acquainted with events of the day because of his personal interest in social problems, was made moderator of this group.

MR. E. J. O'CONNOR, S. J.

Regular meetings take place once every two weeks during which formal debates or open house discussions are held. Each student of fourth year is given ample opportunity to display his ability to speak, as well as his knowledge of the topic in question. A subject that was much discussed in the meetings was the Program of Social Order advocated by the Jesuits of America.

The Bellarmine Society, an organization very similar to the Newman Society, is for juniors only. More formal debates are held in this group than in the senior division since its purpose is to give members a knowledge of debating principles and parliamentary parlance. The Society was founded nine years and during the past two years has progressed under the direction of Mr. Edward O'Connor, S. J. Like to the Newman Society, meetings are held every two weeks.

Knight Herald

IN its short life of four years the Knight Herald student publication has gained a prominent place in high school journalism. Beginning as a small four page copy this paper grew until in the present year it was found possible and advisable to increase its size to six pages.

Early in 1933 a contest was sponsored to obtain a suitable name for the publication. The Knight Herald was chosen as an appropriate name. Under the leadership of Mr. Francis Reynolds, S. J., a staff was organized and work begun on the initial issue.

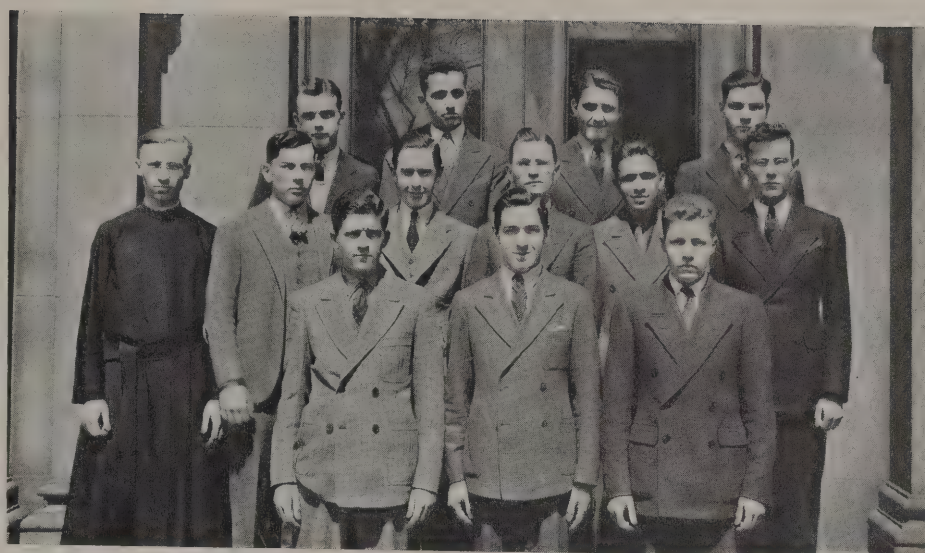

In April, 1935, Mr. Peter Buschmann, S. J., succeeded Mr. Reynolds as faculty adviser of the Knight Herald. According to the president of former years, Edward CaJacob was appointed editor, and, assisted by Thomas Lauer and James Galvin, published the final issue of school year.

When school opened in September, with a view to making improvements in the paper, a method was sought whereby funds could be secured. A card party was held under the auspices of the P. T. A. Association for this purpose. With this additional revenue a six page issue of the Knight Herald was inaugurated, and more art was made possible.

This year has been one of much success for the Knight Herald, as is evident from the number of new exchanges from all over the country and from the favorable criticism received.

Pictorial

ABOUT two years ago the first Pictorial issue of the Knight Herald was published under the guidance of the late Mr. Francis Reynolds, S. J., with Charles Testa as the editor. Last year the idea was again carried through and the book was improved under the editorship of James Kitzmiller. This year too, it was presented to the Seniors and to a man they voted to continue the commendable project.

This year under the editorship of William Johnson and the guidance of Mr. Peter Buschmann, S. J., ably assisted by other members of the Pictorial staff, the Seniors of St. John's have tried to bring forth a book that will be a fitting remembrance of the achievements of the class of '36. A special tribute must be paid to the many Seniors who solicited advertisements and especially to Louis Urbanski and Thomas Callahan, who, though not on the staff of the Pictorial, have labored assiduously to make the book a financial success. To these two men is given a vote of thanks and appreciation.

WILLIAM JOHNSON

And so it has come about that the Senior Class of '36 has crowned a very active year with this issue. It is their last contribution of glory to their Alma Mater. Although St. John's High School will no doubt pass into oblivion, may the joyful memories of the past four years linger forever in the pages of this Pictorial.

Orchestra

THE orchestra, which for the past three years has been under the capable direction of Mr. George Wallenhorst, S. J., has passed a very successful season. This group furnished entertainment for Parent-Teacher's Meetings, minor productions of the Masquers' Club, and the major production, "Merry Madness," which was enacted before a full house on the night of February 16.

This year the orchestra was represented at many activities by four of its members who were called the Troubadors. The Troubadors entertained at the boxing matches and a few basketball games. Their efforts were rewarded when they received second prize in the amateur contest sponsored for the benefit of the high schools in and around Toledo.

Within the organization many activities have taken place. On the feast of St. Cecilia, the orchestra sponsored a Communion breakfast at which the Rev. Fr. Gerald Fitzgibbons, S. J., president of the college, addressed the members present. This group has been given much praise by those who have heard it and the result was that the members show much greater enthusiasm.

The orchestra will climax its happy season of practices and performances on June 4, when it plays at the commencement exercises. As far as it is known this is the last but by far not the least of the many orchestras composed of St. John's students.

Camera Club

T. JOHN'S Camera Club, founded last year by Mr. Peter Buschmann, S. J., was established for amateur photographers of the school and for those who wish to learn the fundamentals of photography.

Though in existence only two years, yet it is a very active organization which supplies a great number of the photographs for the monthly issues of the Knight Herald, and for the snapshot section of the Pictorial issue.

The members of this group have at their disposal their own dark room, which is fitted with all the equipment for developing and printing.

MR. J. P. BUSCHMANN, S. J.

At club meetings held every other week the fundamentals of the camera, lenses, developing, printing, enlarging, and construction of equipment are discussed by Mr. Buschmann, for the benefit of the members.

The officers of this society are John McMillan, president, and John Gates, secretary. Plans for the remainder of the school year include a banquet for the members and an outing scheduled for Ascension Day, the 21st of May.

During the year many fine samples of photography were turned out. And through the instigation of the interest instilled by the working of this organization many individual dark rooms have been started in the homes of the members. Since this is the last year of the Camera Club's existence no new officers were elected.

The Athletics

In giving the finest Catholic education, the Jesuits are ever mindful of not only the mental quality of a boy but also the physical quality. Athletics develop in him a closer friendship with his schoolmates and also instill in him that all important virtue of man, sportsmanship.

M. W. P. MADIGAN

Varsity Basketball

SHORT time after the closing of the 1934-35 season, Mr. John Tracy announced his resignation as Athletic Director at St. John's. A successor had to be found. After due deliberation, the authorities selected Mr. William Madigan to fill this position.

Coach Madigan's first real task was placed upon his shoulders at the opening of the basketball season. At the first call for men, many responded, but soon the number was cut to about fifteen. With these the Coach spent many hours endeavoring to form a winning team. And on December 9, the smallest team in the history of St. John's took the floor.

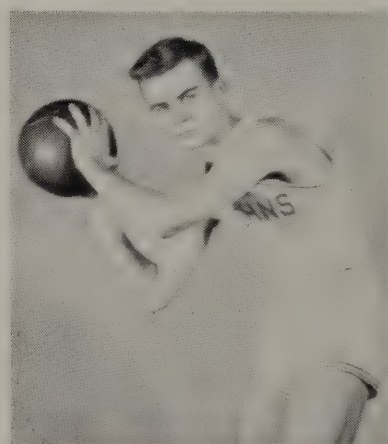

The Knights won nine and lost eight games in their regular schedule, and in the tournament the team advanced to the finals, there to be defeated by the city champion Woodward team.

We, the students of St. John's, salute and thank you, Mr. Madigan, and hope that you will succeed in all your future undertakings. You gave us a team this year of which we could be justly proud and a team that can be placed with the greatest at St. John's.

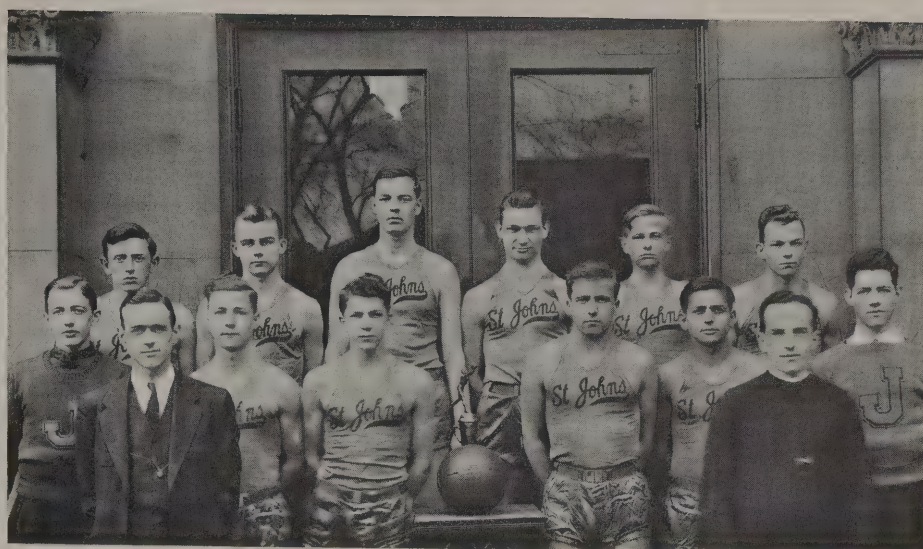

JOHN HIGGINS has the rare distinction of being captain of both the basketball and baseball teams. He has played four years of varsity basketball and three years of varsity baseball. John was the second highest scorer on the basketball team in his junior year and this year he led them.

When a sophomore John played his first year of varsity baseball in the outfield. His junior year again found him in the outfield but this year he was shifted to the infield to cover the initial sack. The close of the baseball season will end his brilliant athletic career at St. John's High School.

Varsity

HIS year's varsity squad was composed of the following men: Higgins, Thompson, Sullivan, Alex, Whelan, Kearney, Robens, Gallagher, Hillebrand and Reed. The Coach worked hard with these men and the first game found this starting line-up: Forwards: Sullivan and Alex; center: Thompson; guards: Higgins and Whelan. The Coach worked with Bob Kearney and started him at center in the Central game. He desired to use Kearney's towering height to advantage. This necessitated a change in the line-up. Thompson was teamed with Alex at forwards and Kearney played center, while Higgins and Whelan remained at the guards.

In the first game of the year, the Knights defeated Mt. Blanchard 26-14 with Higgins scoring twelve points.

Next they travelled to Lima and defeated the local boys 26-20. Whelan and Robens scored seven points each.

The following week the Knights recorded a 49-14 victory over Clay at Clay. Higgins captured all scoring honors by tallying seventeen points.

The team scored their fourth consecutive victory at Norwalk by taking a 30-28 thriller from St. Paul's. Higgins again led the scorers with eleven points.

The Knights kept their string of victories intact in chalking up a 26-22 victory over Rossford. Alex, Thompson, Sullivan and Higgins each scored six points.

The first defeat of the season was suffered at the hands of the DeVilbiss Tigers by a 31-22 score. Sullivan and Higgins scored six points each.

The first overtime game of the year resulted in a 30-29 victory for Waite. Thompson was high scorer with eight points.

The Knights evidently had an off night when they met Woodward and consequently were defeated by a score of 33-17. Thompson led the scorers with five points.

Here the team returned to the win column and recorded their first intra-city victory by defeating Libbey 23-20. Sullivan was high scorer with seven points.

Leading for three quarters, the Knights weakened and Central forged ahead to win 30-24. Sullivan was high scorer with eight points.

The Knights entered this game without the services of Higgins, Alex and Thompson and were defeated by DeVilbiss 44-26. Robens scored eight points.

The Knights lost their second overtime game to Waite, 36-29. Sullivan was high scorer with seven points.

A fast breaking offense and a flashy passing attack aided Scott in defeating the Knights 35-21. Kearney scored ten points.

The team lost its second game to Woodward 37-23. Thompson was high scorer with eleven points.

Alex made a basket late in the game to clinch the contest and defeat Libbey 32-30. This was the start of a six game winning streak.

Scott was the next opponent and they were defeated 18-16. Higgins was high scorer with nine points.

The Knights closed their regular season with a 37-32 victory over Central. Higgins had eleven points. This win evened the series for the Catholic Championship.

Whitmer was our first tournament opponent and they fell before the Knights 36-13. Higgins and Alex each had nine points.

Central was next and the team defeated them 30-23. By virtue of this victory, the Knights won the Catholic Championship and advanced to the semi-finals. Sullivan was high with nine points.

The Knights defeated Waite by a score of 22-21 to advance to the finals. Higgins led the scorers with seven points.

The team lost a closely contested game to a highly favored Woodward team in the finals 26-22. Higgins stood out for the Knights in scoring thirteen points and playing an excellent defensive game.

First Row: Mr. William Madigan, Condon, John Oatis, Breska, Blake. **Second Row:** B. Kearney, Gerold, James Oatis, Glynn.

Lightweight Basketball

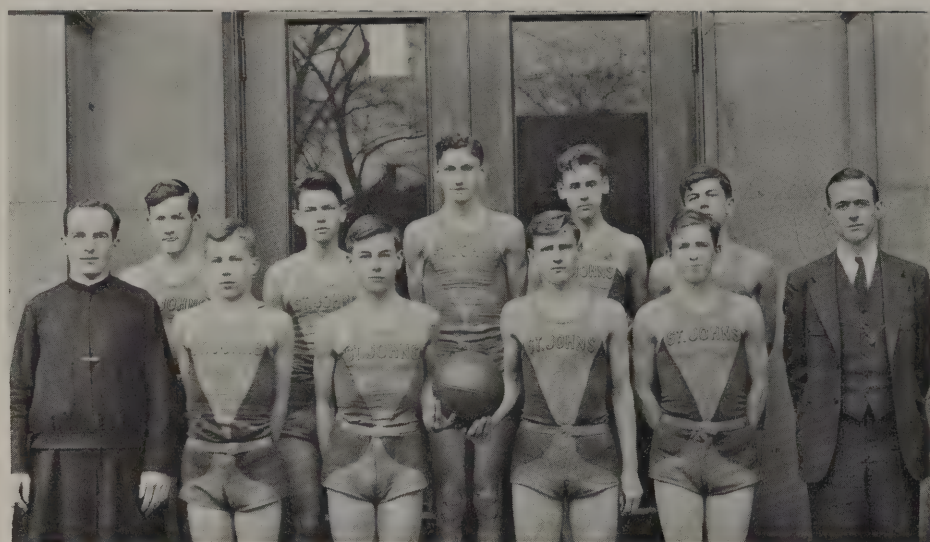

LARGE number of men responded to the call for lightweight basketeteers. Each one was closely watched by the Coach and those who showed the most promise and experience were placed on the squad.

Finally a contingent was selected consisting of Ray Meng, James Oatis, John Oatis, Robert Breska, Edward Glynn, Frank Gerold, Robert Driscoll and Vincent Condon. When the opening whistle was blown, these men were usually found at the starting posts: Breska and Driscoll, at forwards; John Oatis, at center; Condon and Meng or James Oatis at guards. This quintet formed a combination that worked well together and one that played heads-up ball, regardless of how great the score was in their favor or against them.

With the Central game, the lightweights closed their 1935-36 season in which their record was not very impressive. During the season, in city competition, they recorded two wins while having ten losses chalked up against them. The victories were scored over Libbey and Scott, and they were defeated by Libbey, Scott, Central (2), Waite (2), DeVilbiss (2), and Woodward (2).

The team usually entered the game the underdogs because of lack of height, but always fought hard and more than once surprised their larger opponents. Despite the unimpressiveness of this record, the reserve quintet has improved steadily and their added experience will aid them in becoming more aggressive players. The team was coached by John O'Connell, former high school star.

John Oatis led the scorers with Driscoll, Condon, and Meng following him in the scoring column. Breska, Driscoll, and Condon were stalwarts on defense.

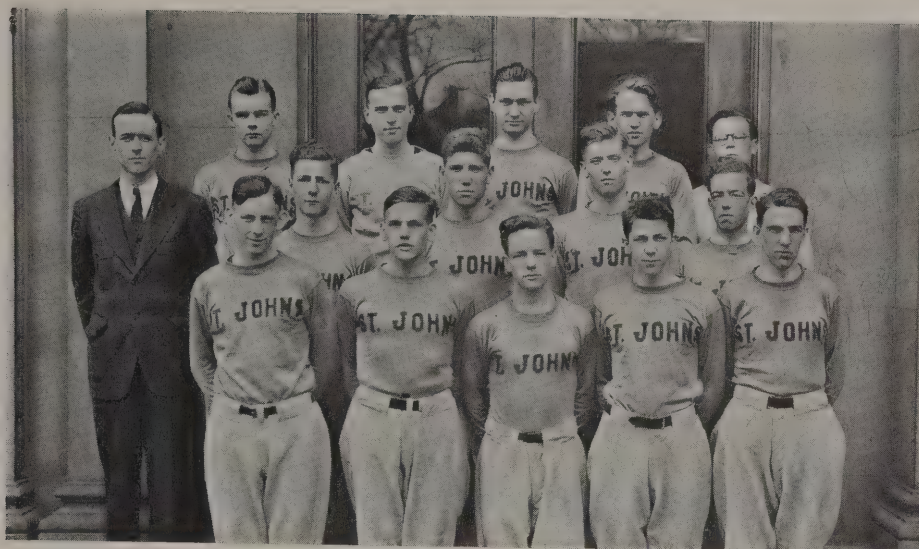

First Row: Mr. E. J. O'Connor, S. J., Rutherford, Sanford, Eberle, T. Canary, Mr. William Madigan. **Second Row:** Maloney, Driscoll, Beeley, Scheuer, Halloran.

Freshman Basketball

AST year a Freshman Basketball League was formed, consisting of a Freshman team from each city school. This year, although the league was disbanded, Freshman basketball was continued here at St. John's. Last year's squad was under the coaching of Mr. E. J. O'Connor, S. J., and again this year the Freshmen hopefuls worked out under his watchful eyes. Ten candidates reported for the initial try-out. Most of the aspirants showed a lack of experience and were far from seasoned athletes. Mr. O'Connor selected those who showed the most promise, and by the end of the season had formed a combination that showed marked improvement over its early season play. The men who were placed on the squad were Driscoll (until promoted to the lightweights) Beeley, Eberle, T. Canary, Sanford, Halloran, Beckman, Maloney, Rutherford, and Scheuer. Every one of these players has constantly improved as the season progressed and by the end of the year the quintet had compiled a record of five wins and six losses. This one year of experience is all that most of these men needed and they are now ready to serve lightweight duty next year.

Driscoll led the scorers despite the fact that he was promoted to the lightweights. Beeley was second in scoring with 50 points while Eberle, with 36 points, was third. Games were played with grade school teams and Class C teams. And although the Frosh's record was not very impressive, a vote of thanks must be given to Mr. O'Connor, because the great improvement in the play of these men is due to his untiring efforts.

First Row: Glynn, Breska, P. Ferstle, Robens, Condon. **Second Row:** Mr. W. Madigan, R. Sullivan, John Oatis, James Oatis, G. Ferstle. **Third Row:** Higgins, Gerold, Reed, Balcerzak, Douglass.

Baseball

WHEN the first call for baseball candidates went out, six members of last year's team responded. Those returning were Capt. Higgins, Edward Cousino, Ray Sullivan, Jack Reed, Paul Ferstle and "Luke" Balcerzak. Last year the team had a fairly successful season and were runners-up in the city baseball tourney. From these six veterans a formidable team can be put on the diamond.

This year's nine is composed of Edward Glynn, Ray Sullivan, Paul Ferstle, George Ferstle, Vincent Condon, Edward Cousino, Jack Oatis, James Oatis, Jack Reed, "Luke" Balcerzak, Bob Robens, Frank Gerold, "Bud" Douglass and Capt. Higgins.

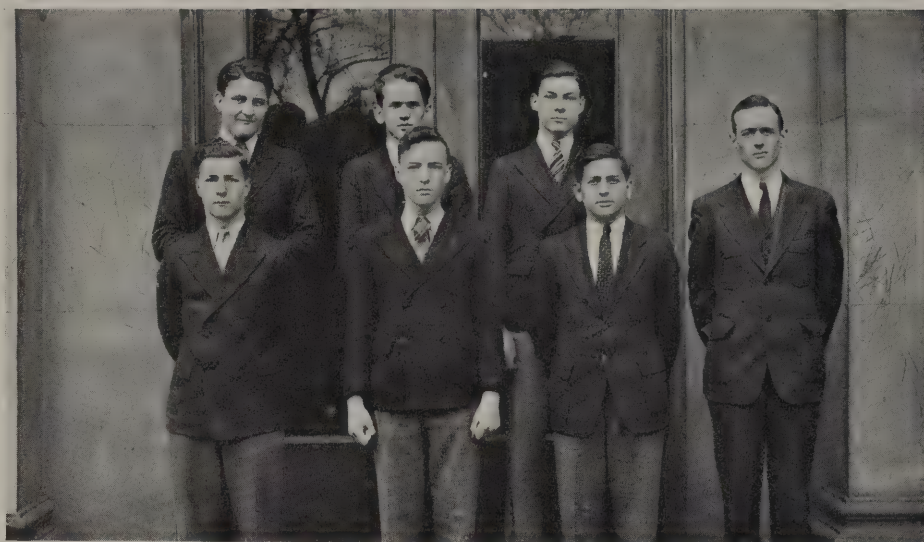

Glynn, George Ferstle, Condon, Jack Oatis, Jim Oatis, Robens, Gerold and Douglass are the new men who will undoubtedly add strength to the squad. Of these new men, Glynn, Ferstle, Condon, and Robens are infielders, Jack and Jim Oatis are outfielders, and Gerold and Douglass are pitchers.

The Knights recorded a 21-9 victory in their first game against Sylvania with Frank Gerold hurling steady ball.

In their second game they were defeated by Vocational 9-6. Gerold again pitched a nice game but was poorly supported on the field.

The next game was with Scott and with Balcerzak on the mound, the Knights were defeated by a score of 8-3. The main reason for this defeat was weakness at the plate and it was evident that the men needed more batting practice.

A six run assault in the first inning was too much for the Knights to overcome and they were defeated by the DeVilbiss Tigers 11 to 2. Paul Ferstle led the hitters with two out of four.

First Row: R. Sullivan, O'Brien, Alex, Mr. William Madigan. **Second Row:** R. Fish, Balcerzak, Hackett.

Bowling

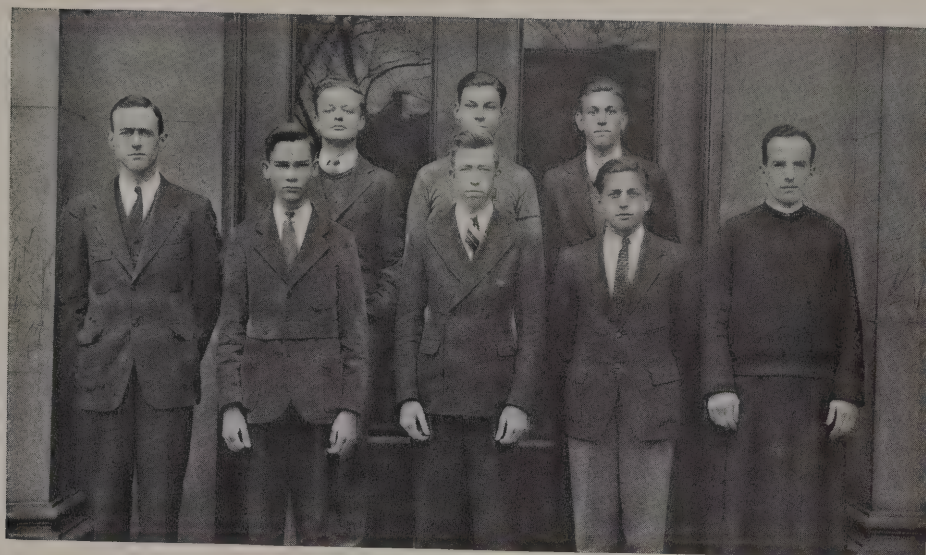

IN the newly formed bowling league, the St. John's team made one of the most respectable showings. The league consisted of all the city high schools, together with the suburban schools, Whitmer and Sylvania. At the start St. John's had two teams entered, but due to the difficulty encountered in assembling two full teams one of them was dropped.

In the first two weeks of the season St. John's jumped into an early lead and maintained it until the Christmas layoff. From this point on the race was between Vocational, Libbey, and St. John's, with DeVilbiss having an outside chance. In the middle of the season the team hit a slump and lost four out of six games.

Coming into the home stretch St. John's found itself in third place behind its two arch rivals, Libbey and Vocational. The team had to bowl these two schools and DeVilbiss in its final three matches. The prospect of winning a place was not very bright. But bending all their efforts towards copping the title the team took three from DeVilbiss, three from Vocational, and two out of three from Libbey, a total of eight out of nine victories against the best of the league, yet their effort was not great enough for they had to be content with second place, one game behind Libbey.

Until the final week of the season St. John's held many of the league's records, a team score of 2677, Jack Hackett's 609 series, and Luke Balcerzak's 179 average. These and the other members of the team, Alex, Sullivan, Fish, and O'Brien are to be congratulated for their fine showing.

First Row: Mr. W. Madigan, Effler, Conklin, Alex, Mr. E. J. O'Connor, S. J. **Second Row:** Kumler, Hackett, Hartmann.

The Golf Team

T. JOHN'S is again represented this year by a fine golf team, and with six lettermen returning, has an excellent chance of being near the top of the standings when the season closes. St. John's had its greatest squad in 1930, when they won the city championship and then went on to become state champions. And every year thereafter, a group of fine golfers represented the school. Last year's squad was coached by Mr. E. J. O'Connor, S. J., and compiled a noteworthy record.

This year the golfers are under the tutelage of Coach Madigan. This group is a veteran one composed of John Hackett, Joseph Hartmann, John Kumler, Paul Effler, Emery Alex, and Walter Conklin. Every one of these men, with the exception of Hartmann, was on the squad last year and is an experienced player. This is Hartmann's first year and although lacking in experience, he has shown fine form in the first few games and promises to be a great aid.

The first match was a two game affair with the Knights playing Vocational and Woodward. The Knights defeated Vocational $14\frac{1}{2}$ to $3\frac{1}{2}$ in the first match and then downed Woodward in the other half of the match $15\frac{1}{2}$ to $2\frac{1}{2}$.

The next contest found the Knights beating Central $11\frac{1}{2}$ to $6\frac{1}{2}$ and downing Waite 12 to 6. Hackett was low scorer with a 79.

The third match was played at Heather Downs against the crack Libbey shotmakers. They played one of their best games and gave Libbey its hardest game of the season. Libbey emerged the victors, $12\frac{1}{2}$ to $5\frac{1}{2}$.

INTRAMURALS

FOOTBALL

UE to a late start and the inclement weather of late fall, the intramural pass and tap league was forced to disband before its schedule could be completed. Although keenly interested in the outcome of the league games, many showed little consideration for the players and swarmed about on the field during game time. On the basis of their form in the few games played, we would name the following as the better of the players: Vollmayer, Burnor, Cousino, Meng, Leyland, Reed, Oatis, Driscoll, and Gerold. No standings were posted because of the scarcity of games.

BASKETBALL

The basketball league enjoyed a highly successful season. Each noon it afforded entertainment for a large part of the student body that gathered in Westminster Gym to witness the games. All the contests were fast and exciting with the outcome in doubt until the final whistle. The students evidenced their approval of the league by their faithful attendance at the games. At the close of the regular season a tournament was held. The winners in their respective divisions were 4B and 2B. Due to the great amount of material each room had at its disposal these were made pre-tournament favorites, both running true to form. The 4B team under the leadership of Bill Speer, played remarkable ball throughout the tourney, sweeping all opposition aside. On their march to the championship they defeated 4A, 36-15, and then romping over 3B, they came to the finals and defeated 3A, 32-22. In the junior division 2B disposed of their foe much the same as did the 4B team. To gain their title they beat 1A, 63-4, 1B, 23-3, and 2A, 25-10. In the game between the two division champions the 4B team

triumphed 19-15. Forrester, Breska, Condon, Couture, and Driscoll, were chosen for the junior all tournament team, and Speer, Kearney, McMillan, Meng, and Leyland for the senior.

BOWLING

For the first time intramural bowling was introduced at St. John's. Due to the great interest shown in the sport it was deemed advisable to inaugurate such a league. They were greeted with a fine response and each Monday the teams bowled at the Gazzolo's Auditorium Alleys. Due to the start of the baseball season the league came to an abrupt ending in the middle of April. At the final checking O'Brien's team was found to be the winner with a record of eleven victories and one defeat. Balcerzak's team took second place with a record of nine wins and three losses. Balcerzak possessed the league high individual average followed closely by Wilkinson and O'Brien. Balcerzak also had the high single game with a 235, while Sullivan trailed him with a 225.

INDOOR

At the time this was written the Indoor League has just completed one round. In the senior division 4A under Bob Fish is leading with 3 wins and no losses, followed by Jack Kanary's 4B team with 2 wins and one loss. The Junior teams under Sullivan and Ferstle are bringing up the rear. It looks now as though 4A should win because in Leyland and Schneider they possess the two best pitchers in the loop. The junior division is led by 1A with 3 wins, and no losses, followed by 2B, 1B, 2A respectively.

The Advertisements

It is through the generosity and interest of our advertisers that we have been enabled to achieve this publication. To them St. John's High School gives a vote of thanks and hopes that the future holds for them even greater success and achievement.

N past years, many gallant graduates have gone forth from this school to win their places in the field of business. Moreover many of these are represented in the following pages. Both these and our other gracious advertisers are paying a lasting tribute to St. John's which, upon the closing of this school year, completes its history in Toledo.

BUSINESS LEADERSHIP

The world today, recovering from depression, needs most of all trained leaders who can direct and plan the courses of commercial progress. There are many willing hands, in fact, some say too many, but all too few able, alert, well-trained technicians in the arts and science of business.

Accounting and business administration with secretarial work have permitted the entree of many budding industrialists into the higher realms of business. We urge you to consider this.
